Youth in Government Builds an Understanding of how state government works. Student Justices learn how the Ohio Supreme Court works by presenting a case.

#### Quick Facts . . .

The Supreme Court considers an appeal of a lower court decision.

The presiding officer of the Ohio Supreme Court is the Chief Justice.

Decisions of the Supreme Court are a majority vote of the Justices. These decisions final word in Ohio.

A case appealed to the Supreme Court is an appeal only on errors claimed to have occurred in the local trial. It is NOT a retrial of the local trial.

Ohio's Supreme Court has seven justices including the Chief Justice.

The authority of the Supreme Court comes from the Ohio Constitution. The appellant is appealing the decision of a lower court.

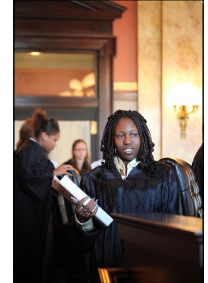

The appellee is supporting the decision of the lower court.

The Brief summarizes the validity or lack of validity of the lower court's decision.

An Assignment of Errors lists the mistake(s) that either the Judge or Jury made in lower court decision.

Arguments made in an appeal describe laws or precedent cases that support the argument.

The concluding presentation to the Supreme Court summarizes arguments in the appeal and a conclusion the
