

# YOUTH OPPORTUNITY CAMP

## Governor's Youth Opportunity Camps at YMCA Camp Horseshoe

Children thrive in Horseshoe's guided atmosphere of purpose, positive role models, caring expectations, learning and character building activities. The residential experience of family and community is Horseshoe's distinctive difference in the lives of children.

### Responsible Behavior

Children are responsible to behave, to respect others, follow the camp rules, help others have a good time and not do anything that would hurt another person, place or thing.

### Cost/Fee

No fee for YOC eligible 7 – 12 year old boys and girls. Others pay \$350 (\$300 if paid before May 1)

### Transportation

Horseshoe does not provide transportation. Some local agencies do. Contact Horseshoe for information.

### Arrival/Departure

Arrive on Sunday from 2 – 4:00 p.m. Leave on Saturday after 9 a.m.

### Insurance

Parents are responsible to have adequate coverage for their child at camp. Attach a copy of insurance card or medical card to the Health History Form.

### Health History

Current physical and parent/guardian signed permission must be turned in at or before registration on opening day of camp session.

### Applications

Applications are due at Horseshoe no later than three weeks before the camp session. Applications are available from Horseshoe, DHHS, Community Action and other agencies.

Across society there is a growing commitment to strengthening family, community life and our nation's character.

*This is fun! The food is great! I love my counselors!* Children say all this and more about their Horseshoe YOC week. Parents love YOC too because children learn to get along with others, enjoy so many activities, and return home with more positive attitudes and goals. Plus, campers get excited about succeeding in school, making more healthy living choices and achieving their potential.

Children are our future! They become their best when they are engaged in their own learning, commit to become their best and take on responsibilities.

For Stronger Families, Better Communities and a Stronger State! YOC is prevention and intervention

through direction into positive activities and goals. YOC shows boys and girls good things to say YES to. YOC is an investment to create the future!
