

SERVICE TO OTHERS

YEAR END REPORT

Complete and return by HI-Y Leadership Conference

Service to others is an important part of HI-Y. This annual survey of HI-Y's service provides a way to measure what HI-Y has accomplished. Your information will be compiled with that of all other HI-Ys to:

1. *Determine the amount and variety of volunteer service provided by HI-Y to other in need of help.*
2. *Demonstrate that HI-Y is a service organization.*
3. *Interpret HI-Y to potential contributors and show that their investment in HI-Y is an investment in leadership and service.*
4. *Determine the HI-Y to receive the HI-Y Leadership Center's annual "Service to Others" award.*
