Here's Why Teens Say You've Got to Get to Horseshoe!!!!!!!

You'll open up to others – make new friends while still having friends you already know.

This is one of the best weeks of my life!

It is worth every minute – you'll never forget it.

I'm changed for the better.

You'll learn a lot!

This isn't just a camp – it is a lifestyle.

You will find your true self and leave a changed person.

Horseshoe teaches you to be yourself and who you are.

This shows you what life is about.

Youth in Government and Model UN are a lot of fun. Get involved!

Camp operates professionally and the counselors do an excellent job bridging the gap between friend and authoritative figures.

This has been the best experience of my life. I have learned more, grown more and become the person I was intended to be. I have made the best friends of my life. You will meet new people and bond with them on a new level.

This camp does not compare to others. Campers are taught life essential skills such as leadership, communication and service skills. This camp gives you a new perspective on life.

This experience opened my eyes to where people come from and how to be more outgoing with new people.

You'll come away with a different perspective - always for the better.

This is an absolute masterpiece of time. You may not like the first couple of days. You'll then quickly decide this week is the best in your life.

Horseshoe opens your mind to the possibilities of what working with others can accomplish.

I was afraid to come here and even dreaded it – but I quickly realized it was as fun as friends said it was.

This is fun. It WILL change your life. It changed mine and it will yours.

Best time of my life.

This is simply the BEST experience of life there is.

The people are amazingly friendly and welcoming. No one makes you feel left out. Everyone listens to you.

Horseshoe has made me who I am and proud of who I am. Being here has made me a leader and a more confident person. Without this camp I would be a quiet person who could never talk in front of people.

This camp has forced me to look inwardly to myself and find my flaws and be able to correct these before I can help others.

You'll become more comfortable getting to know people and you'll become more outgoing and better at public speaking. You'll make a lot of new friends!
